# Online Discounts

## Why pay more?

Applied at the point of sale, these are discounts which you gain when you shop online at our participating websites.

The discount is either automatically applied when you shop, or when you enter an exclusive code given to you in the offer description.

- Great percentage discounts
- BOGOFF (buy one get one free)
- Free Extras - such as postage, extended warranties or exclusive bonus gifts

# Discounted reloadable **Gift Cards**

## **The gift to yourself that keeps on giving!**

These work exactly like a normal giftcard does – only you can spend them on yourself!

You load them with credit and spend them like cash. However - we've negotiated you an exclusive discount on the credit you load so overall it costs you less!

Visit the giftcard store today, pick out the cards that fit into your lifestyle and start saving!

Also available as one off cards or vouchers for some stores – to pay for a specific item or to save on a big shop - or even to give as a gift!

# Cashback

## Money back after you've purchased

Cashback has become a really popular way of saving money for shoppers – and with **plusyou** we have over 1,500+ exclusive offers for you to choose from.

It's simple – you make your purchases by linking from the **plusyou** website offer pages – and the technology does the rest!

You will see your cashback amounts appear in your personal account (automatically created for you) in the weeks after your purchases and when you reach £25 credit or more we'll send it straight to your chosen bank account.

# Exclusive One-off Sales

## Once they're gone, they're gone!

Sometimes it's not all about saving money on your regular outgoings – it's about splashing out on those little extras that make life that little bit nicer! Or even spending all that money you've already saved elsewhere on treats for yourself!

"Privileges" are our member only, one-off exclusive sales that give you up to a massive **70% discount** on selected quality brand goods from midnight every Sunday.

You won't find better prices for these items anywhere else on the web - just search for "Privileges" on the **plusyou** site or look out for our reminder Spotlight email at the beginning of every week once you've registered.

# Supermarket savings

## Save time and time again

The average family in the UK spends just over £80 per week on groceries. By sticking to your favourite store and regularly topping up your EXCLUSIVE re-loadable supermarket card through plusyou, you could save between 4 and 5.5% on ALL of your spend - that's on top of any in-store savings and promotions.

Using the average figures that's an annual saving of up to **£230!**

Search for:

- ASDA reloadable card - 4% discount
- Sainbury's reloadable card - 5% discount
- M&S reloadable card - 5.5% discount
- Morrisons (paper vouchers) - 5% discount

# Money Saving Card

## Local offers close to where you are

The Money Saving Card is exclusive to plusyou and you should have already received your personal card in the post or via your HR department.

Supporting local and mostly independent retailers, this card is your passport to paying less at the services you use around you - whether at work, home or on holiday.

Simply enter a postcode into the local offers section and find what's on offer.

Restaurants, hire shops, sports and leisure outlets - you name it it's probably on there somewhere. You simply present your card at the retailer to redeem the offer – it's as simple as that!
